TEAM EMAIL BLAST # 4

FINAL REMINDERS

REGIONAL INFORMATION:

1. Teams ... don't forget to let you local supporters know about this: Palmetto Regional will be Web-cast.

Go to the **Palmetto Website at:** www.myrtlebeachfirstrobotics.com . You will be able to access the live web-cast by clicking on the **"Watch Live"** tab on the home page of the website. We will be testing this tab late Thursday, **February 27th...**so it will be ready for Friday morning Opening Ceremonies. Please email our website URL to all appropriate audiences, noting how to access the web-cast.

2. Teams...View Load-In Video one more time at:www.myrtlebeachfirstrobotics.com under "Team News" Also, see Load-In Procedures (attachment #1).

3. Don't forget to ask for "Help!" during the 2020 Palmetto Regional. MARS Team 2614 will be running a "Tucker Teams" Help Desk at the regional which offers mechanical, electrical, and programming help to any team in need. They encourage teams to contact them at mars2614@gmail.com ahead of the competition with questions or specific requests for assistance. They'd also like to hear from other teams interested in supporting expansion of their help desk initiative to other regionals. Help "Tucker Team" members will be located at the Pit Administration desk.

4. Woodie Flowers Past Winners - IMPORTANT

For those of you that just haven't had the time to handle this Please send me the name of any past Woodie Flowers Award Finalist and/or National WFA Winners **that will be in attendance at the 2020 Palmetto Regional.** While I have my list from 2019, I know that some will not be able to attend this year. Also, for those teams new to Palmetto, we will be recognizing all past winners at the time we present the 2020 Palmetto WFA Finalist winner.

Send Name:

Team Number:

Year they were Winner:

Place they were Winner:

5. **SAFETY**, as always is our top priority. So, **just couple of reminders.....**Do not forget your **safety glasses.** Teams are required to provide all team members that will enter the Pits and/or playing field area approved safety glasses. This includes your load-in of your Robot and Pit materials on Wednesday and/or Thursday. **You must bring your own. We will not be issuing Safety Glasses for team members.** **Gloves...**make sure that those handling robots are wearing gloves to prevent "pinch point" and cut related injuries. And...as always...**closed toed shoes.** This year we will be utilizing **one additional safety advisors** that will be on the floor. Thank you for your cooperation.

Teams, we are looking forward to your visit and participation. This is going to be a great Regional. Please don't hesitate to contact me with any questions or concerns that you may have.

Safe travels.
